

I'm
in!

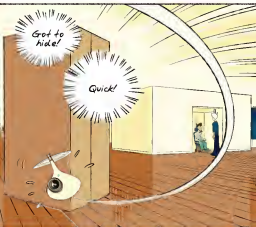

Wow,
look at this
place-- all
the furniture
is gone, and--

Oliver
and
Dr. Kim!

They're
right
there!

Well, I
should head
downstairs...

Gotta
make sure
those idiots
aren't breaking
my equipment.

Okay.

I think
I'll power
down the
RFP.

I need
to do my
exercises
before
bed.

RFP?

What's
that?

And
why would
Oliver need...

to exercise if
he's a robot?

Or go
to bed,
for that
matter!

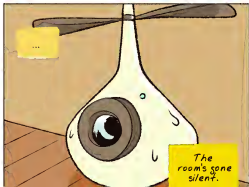

Goodnight,
Oliver.

*Is it safe
to come out?*

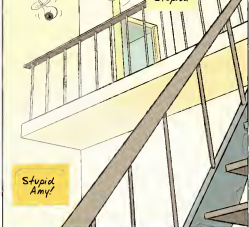

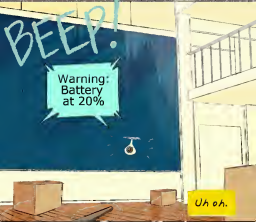

A comic panel depicting a character's perspective. In the upper right, a yellow speech bubble contains the text "I should have known better!". Below it, a large, realistic eye is shown looking out from a white sink. To the left of the eye, a yellow speech bubble says "Ugh!". In the lower left, a yellow speech bubble reads "I feel like such a creeper now...". In the lower right, a white speech bubble with a jagged, starburst border contains the text "Oliver must never know about this!". The background shows a tiled ceiling and a wooden floor.

I should have known better!

Ugh!

I feel like such a creeper now...

Oliver must never know about this!

*I'd better
hurry.*

*Let's see
here...*

*This looks
like the
east wing...*

KLANG!

Careful,
dude!

Whoops,
ha ha.

Dr. Kim will
skin us alive if
there's even a
scratch on this
machine!

Whatever.

I'm
not afraid
of that old
cripple...

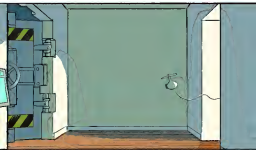

Wow.

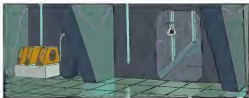

These
people
do not
like Dr.
Kim...

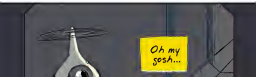

What
is that?

"I decided to bust out my paintbrushes and do a little painting of Oliver's curiousness towards Amy's 'chick' obsession. I also would like to thank you for helping me get back into the drawing spirit, this comic is wonderful for inspiration!"

Amy

"I tried giving Amy a different hairstyle and some new clothes. Hope you like it!"
